## What we will do

Using the information provided, we will:

- trace the National Insurance numbers for your employees
- reply by letter listing only those employees we have been able to find National Insurance numbers for.

If we have been unable to trace a National Insurance number for any of the employees on this form, it may be because we did not have enough information or you supplied an incorrect date of birth. Please resubmit your request for those employees that we failed to trace, with any additional information that you think may help us to trace them.

If your employee does not have a National Insurance number please ask them to contact the Department for Work and Pensions Contact Centre on **0845 600 0643**.

Please note we cannot trace a National Insurance number for anyone under age 16.
